Motion to Approve Wage Match Policy

Whereas, the Massachusetts Department of Housing & Community Development has issued Public Housing Notice 2014-15 establishing new income limits for occupancy in all state public housing programs;

Whereas, the MCDA has officially adopted the housing income limits as established by DHCD Public Notice 2014-15;

Whereas, DHCD requires LHAs to use Wage Match in order to verify the housing income limits and to have a Wage Match policy in place;

Therefore, the MCDA adopts the 2015 Wage Match policy.
